

# ProPlan Industrial CO.,LTD.

Sedex

ProPlan Industrial Co. Ltd has been producing and exporting its range of world-class products since 2007. Our products are developed from a combination of decades of heritage recipes and modern food science. We produce them in a **12,800+ sqm modern facility** in the North of Thailand, and produce around **15 tons** of various products **every day**.

Our high-quality production processes are validated with GMP, HACCP, BRC, Sedex, Halal, and Kosher certifications.

Our clients are a mix of local Thai and global importers from Asia, Australia, Europe, and the Americas. We make our products available under our Chef Art Brand or through our clients' private label (OEM).

Flavorful sauces and curry pastes are the heart of our production. We are able to create both classic and modern flavors that fit the market and our client's flavor and dietary preferences -- Vegetarian, Gluten-free, Low-Sodium, Low-GI -- you name it, we can make it.

**We are able to make classic Asian cooking sauces and pastes:**

Thai Curry Paste and Sauces  
Tom Yum Paste  
Tandoori Curry Sauce  
Rendang Curry Paste  
Sambal Curry Paste  
Hoisin sauce  
Teriyaki Sauce  
Sweet Chili Sauce  
Sriracha Sauce  
Mango Stir Fry Sauce  
among others.

**We are also able to do Western flavors:**

Barbecue Sauce  
Carbonara Sauce  
Vegetarian Cream Sauce  
Pasta Sauce  
Pizza Sauce  
Vegetarian Gravy  
Tomato Sauce  
Vegetarian Veloute Sauce  
and anything you can think of.

## Sauces

*Ready to Eat  
Desserts*

The image shows four Thai Rice Balls (Bua Loy) arranged in a clear plastic tray. Each ball is round, light brown, and has a slightly wrinkled, translucent skin. They are set against a plain white background.

# Thai Rice Balls (Bua Loy)

A classic Asian dessert, sometimes known as Mochi or as they call it in Thailand, Bua Loy. It is usually made from rice flour and various fillings like root crops or black sesame. Our version of Bua Loy uses our signature blend of starch to be able to achieve a unique and beautiful texture. Our Bua Loy is **soaked in syrup and we are able to pack it to be shelf-stable for at least 18 months.** It could be enjoyed with ice cream, shaved ice, or just on its own!

## Ingredients:

Water, Sugar, Black sesame, Thickeners, Milk, Glutinous rice starch, Sweetener, Potato starch, Rice bran oil, Emulsifier, Wheat gluten, Acidity regulator, Konjac powder, Trehalose

## *Bubble Pearl*

Milk tea can be bought all over the world and is best enjoyed with an additional texture to it. Bubble Pearls adds a great and unique texture to your beverages like Thai Milk Tea, as well as desserts like ice cream, Korean Bing Su, and Filipino Halo-Halo.

**Our Bubble Pearls are also soaked in dark or brown syrup and we are able to pack it to be shelf-stable for at least 18 months.**

Ingredients:

Water, Sugar, Tapioca starch, Thickener, Konjac powder,  
Sunflower oil, Emulsifier, Acidity regulator, Trehalose

**Meal Kits** are a perfect solution to today's cooking needs – easy to use, healthy, and delicious. Meal Kits are composed of a **choice of noodle *or* rice + choice of flavorful sauce** that pairs well with the dish that the customer wants to create.
